Note

Ref- Letter No 157/F dated 5th February 1902, from the Inspector Genl of Prisons in Mysore.

The Comptroller, Mysore Government, having requested the Inspector Genl of Prisons to point out the Budget head under which provision was made for the Police Guard and Establishment of District Lock-ups for the year 1901-1902, the latter replied that no separate provision therefor had been made in the Current year's Budget and that he was under the impression that the Budget head 'Lock-up Prisoners Rations' might also include guarding Charges etca. The Inspect. Genl also enquired why a sum of Rs 1500/- provided for (in this office Budget) under the head 'Clothing and

"and furniture to Lock-ups" had been omitted in the sanctioned budget. In reply the Comptroller stated that provision of Rs 12800/- under the head "Lock-up Prisoners' Rations etca." was made in the Budget for 1901-02, and that it included the sum of Rs 1500/- referred to above, but not the Lock-up Police Guard and Establishment. As regards the latter charges the Comptroller stated that as the provision was omitted to be shewn in the Budget Estimates of the Inspector General, it was not included in the Consolidated Budget Estimates for the current year and requested the Inspector Genl to send in a re-appropriation Statement or to obtain a Supplementary grant so as to meet the fixed charge of the Lock-up Police Guard and

Establishment.

The Inspector Genl × vide letter No 157/J dt 5/2/02 now requests Sanction of Govt for a Supplementary grant of Rs 4320/- to meet the charges of the Lock-up fixed Police Guard and Establishment in the State.

It is not explained why a re appropriation from some other Sanctioned head cannot be made as suggested by the Comptroller. It is a large item submitted for orders.

Find out if such a charge used to be made in ~~previous~~ the estimates / previous years: say 1898-1900 & 1900-01 -

12.2.02

In the Budgets for 1899-1900 and 1900-1901, no such charge has been made, but the actuals for 1897-98 and 1898-99 amounting to Rs 4437/3 and Rs 4,284 respectively are shown. In the Budget for the current official year 1901-1902, the actual expenditure for 1899-1900 is entered as Rs 4297 and no change is made for 1901-02.

Submitted for orders

4 The provision seems a necessary one, and as it arises by it's being a large sum, it cannot apparently be met from re-appropriation from existing votes, but it can be met by way of a supplemental grant
